All those special events of our lives,  
the wedding,  
the children's christenings,  
the birthdays...  
I dream of them all and it's summer,  
on a beautiful Greek island...

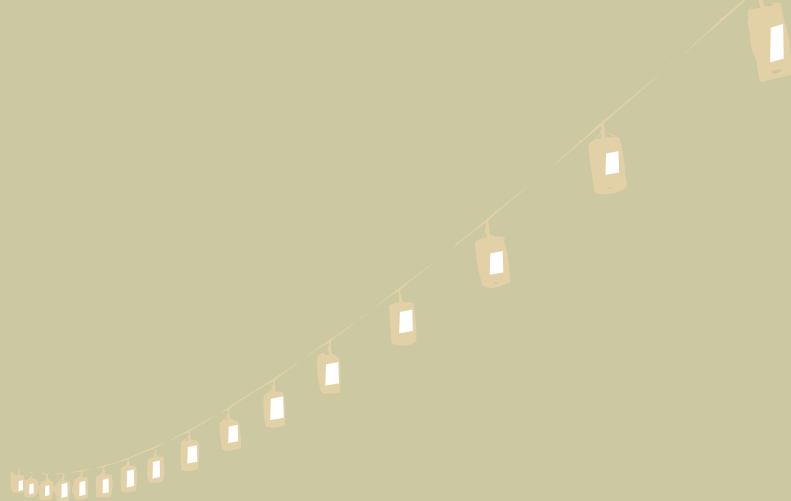

I imagine a noble estate,  
garnished with nature's most beautiful flora,  
with a stunning, endless view,  
and an exquisite architecture,  
way beyond the ordinary..  
on a beautiful Greek island...

A night-time outdoor event at a modern villa. The scene is illuminated by warm string lights hanging from a white building and a pergola. In the foreground, a swimming pool is lit with blue lights. People are seen in motion, some near the pool and others near a table with a white tablecloth and a cake. The background shows a modern white building with a balcony and a pergola structure.

I fancy private treats there,  
by people that personally care about me,  
and make me feel homey  
just like being in my own home...

It's in this very home  
that I want to harbour my finest, honored guests  
and experience with them  
the happiest moments of my life,  
day and night, together!

I never believed that this dream could be real...  
In such a magic place!  
I never imagined such minimal simplicity  
in an estate so austere luxury!

Here's where I want to stay,  
along with all my beloved people!  
And let this feast last for days!
